

Singular (only ONE person)

Plural (MORE THAN ONE person)

I	We
You* Familiar → use with friends, children...people you'd call by first name	(You all*) *Only used in Spain with groups (plural) of people you know well enough to call by first name...so you wouldn't likely use this often.
He She You* Formal/Polite → use with people you'd call Mr. or Mrs. _____.	They You all* This is the "you all" that we need to use. It's general, works for all situations...
